Why choose consensus mediation...?

Our role ensures that...

- Mediators remain wholly impartial and focused on the dispute because we handle all the fee negotiations, contracts, documents and logistics;
- Mediators do not become disqualified from acting (even by perception) because of previous direct or frequent instructions from one party or solicitor;
- Clients and their solicitors can concentrate on the case while we sort out all the administration and logistics.

We quote an inclusive fee for the mediator's time and the administration of the entire mediation process. Consensus Mediation does not charge for "overtime" or for any other hidden extras.
